BOLIVAR, TENNESSEE, FRIDAY, AUGUST 12, 1887.

NEWS IN BRIEF.

Compiled from Various Sources.

PERSONAL AND POLITICAL

THE New York Republican convention is called at Saratoga for September 14. In the Kentucky State election, on the 1st, the full Democratic ticket was elected by large but somewhat reduced majorities, the Republicaus showing heavy gains in some sections. Buckner, for Governor, ran ahead of his ticket. Local option was defeated in Louisville. The Legislature will

be largely Democratic, as usual. A. W. WILKINS, editor of the Whitehall 4N. Y.) Times, and president of the New York Press Association, died on the 2d, after an illness of only a few hours.

CARUTHERS, the St. Louis base ball pitcher, was reported very lll at the Continental Hotel, Philadelphia, on the night of the 2d. He was to be taken to his home in Chicago by a professional nurse engaged by President Von der Ahe to take care of

PRESENT indications are regarded as less favorable for Turkey insisting upon Ferdiand assuming the rulership of Bulgaria. ANOTHER disorderly "incident" occurred in the British House of Commons on the 2d, in which Mr. Dillon figured against a quartette of Tories and the speaker. Accusations of falsehood were freely made.

GENERAL PHIL SHERIDAN has written that he will attend the reunion of the Army of the Tenuessee in Detroit, Mich. September 14 and 15. The original idea of having a prize drill of the crack companies of the country have been abandoned. EMIN BEY, the African explorer, wrote

THE VOLUNTEER.

Rev. H. F. Decharry, Vicar-General of General Payne's Yacht, that is Destined to Try Conclusions with the Thistie, Easy Winner in a Splendid Race off Newport, R. I., for the Goelet Cup.

NEWFORT, R. I., Aug. 6 .- The race for the Goelet cup yesterday was a decided success. The wind was fresh from the southwest and it was good all day, without flukes of any consequence. The course was what is known as the Sow and Pigs and the Hen Chickens which, with yesterday's wind gave a long beat to windward to the Sow and Pigs light ship at the entrance to Vineyard Sound, nineteen miles, a run before the wind across the mouth of the sound to the Hen and Chickens four and a half miles, and a reach home seventeen miles long, the finish being at Brenton's reef light ship, about four miles east

of the starting line off Beaver Tail. Twenty-one yachts started, of which seven were schooners and the rest sloops and cutters, including the big flyers, Volunteer, Maydower, Puritan, Atlantic and Priscilla, the cutters Bedouin and Stranger, the sloop Gracie and the new Burgess boat Titania.

The boats of chief interest in the schooner class were the Sachem, the of Heaven come not to those who are on Iroquis and the Palmer. The Sachem was

The interest, of course, was centered in the performance of the Volunteer, and her hosts of admirers were by no means dispointed, for the way the "new single sticker" showed the other flyers her heels | and in the fifth day of the month. So you

vachting world. The starting gun was fired at 10:13 a. m., and all of the yachts, with the exception cord, got over the line without a handicap. The Puritan crossed first and led the fleet almost to the Sow and Pigs. The Volunteer, Mayflower and Atlantic were among the last to start, but they all crept up, and as the Volunteer made the first turn at the | doing now9" The question is more easily Sow and Pigs without having to tack, she got a big lead on the Puritan, the only

boat in the fleet left for her pass when the Sow and way the Mayflower caught up with the strongest inferences decide what are the Puritan, but was unable to pass her. The Priscilla was left far behind the other three big ones. The Puritan's owner, Mr. J. Malcolm Forbes, sailed her. The Mayskipper, Captain Craven; Mr. J. Cass Canfield sailed his own yacht, the Priscilla, and the Volunteer did her splendid work, with Captain Haff at the wheel.

least eight minutes better than the May-The cutter Bedouin was among the smallno prize for her, the Goelet cup being for schooner and sloop winners without distinction of class. The cutter Stranger was second to the Bedouin, and if it had not been for her heavy handicap, six minutes, she would have beaten every thing but the

cally thought she is at

Volunteer on corrected ime. In the schooner class the Palmer started first, and although she crept ahead a little she failed to gain much on her smaller rival who clung to her, and with the time allowance easily won the cup. On board Commodore Gerry's flagship, Electra, with other guests, was George L

Schuvler, the only surviving donor of the America cup to the New York Yacht Club, and at one time part owner of the America herself. The following time table gives the accurate time of the winning and principal vachte in the race

TALMAGE'S SERMON.

The Heavenly Existence Not a One of Idleness.

Occupations as Many and Varied in the Celestial World as Upon the Earth -A Beautiful Word Picture of the Future.

Rev. T. DeWitt Talmage took for the subject of his chird sermon at The Hamptons the "Employments of Heaven," his text being:

Now it came to pass in the thirtieth year, in as I was among the captives by the river of Chebar, that the Heavens were opened .- Eze-

Ezekiel, with others, had been expatriated, and while in foreign slavery was standing on the banks of the royal canal which he and other serfs had been condemned to dig by the order of Nebuchadnezzar-this royal canal, in the text called the river of Chebar; the illustrious exile had visions of Heaven. Indeed, it is almost always so that the brightest visions nountain top of prosperity, but to some John on desolate Patmos, or to some Paul The sloop Volunteer although new and | in Mamertime dungeon, or to some Ezekiel untried, this being her maiden race, was standing on the banks of a ditch he had been compelled to dig-yea, to the weary, to the heart-broken, to those whom sorrow

has banished. The text is very particular to give us the exact time of the vision. It was in the never forget. You remember the

year, you remember the month, you remember the day, you remember the vision this morning, and it be in the sixth month and in the fourth day of the month. The question is often silently asked though perhaps never audibly propounded: "What are our departed Christian friends answered than you perhaps might suppose, Though there has come no recent intelligence from the heavenly city, and we seem dependent upon the story of eighteen cenpresent occupations of our transferred

kinsfolk. After God has made a nature he never from each other after conversion as they
